 Liceo scientifico statale Leonardo da Vinci, Treviso (Italy)  
 Maturità Scientifica, vote 60/60

## Personal skills and competences

Mother tongue(s)  
*Self-assessment*  
*European level(\*)*

**English**

**French**

## TECHNICAL SKILLS AND COMPETENCES

### Italian

Understanding		Speaking		Writing
Listening	Reading	Spoken interaction	Spoken production	
B1 Independent user	C2 Proficient user	B2 Independent user	B1 Independent user	C1 Proficient user
B1 Independent user	B2 Independent user	B2 Independent user	B1 Independent user	B1 Independent user

(\*) *Common European Framework of Reference (CEF) level*

- Excellent C, C++, and Perl skills; good Perl to C/C++ interfacing skills and good knowledge of Perl internals; good knowledge of Java and Intel IA32 Assembly; basic JavaScript, Python and Haskell skills.
- Good knowledge of technologies and techniques for web application development and in general for client/server and distributed application development using different programming languages. Good Apache/mod\_perl 2 knowledge. Good HTML/XHTML, XML, XSLT and CSS knowledge.
- Good skills in engineering and development methodologies, with particular attention to object oriented development.
- Knowledge of main problems in the development of cross-platform C/C++ and Perl software, with particular attention to GUI interfaces creation (wxWidgets, wxPerl).
- Good disposition to learning new languages, methodologies and technologies.

## Additional information

MISCELLANEA

I have a driving licence and own car. Availability: I need 60 day notice.

## PERSONAL INTERESTS

- I enjoy running and trekking in the mountains.
- I actively participate in various open source projects; I am part of wxWidgets development team, with commit privileges. I started and steer wxPerl development. I did some work on Perl and Parrot.
- I enjoy reading, from novels to science, often in the original tongue.
